Catalogue No.: abx002931

Western blot analysis of extracts of various cell lines, using OSBP antibody (abx002931) at 1/1000 dilution.

OSBP Antibody is a Rabbit Polyclonal antibody against OSBP. Oxysterol binding protein is an intracellular protein that is believed to transport sterols from lysosomes to the nucleus where the sterol down-regulates the genes for the LDL receptor, HMG-CoA reductase, and HMG synthetase.
