## APC1 (APC1) Antibody

Catalogue No.: abx012953

Immunohistochemistry analysis of paraffin-embedded human brain tissue, using APC1 antibody.

Rabbit polyclonal antibody against APC1 protein. Immunogen region is Internal.

|                               |                                                                                                                                           |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | APC1                                                                                                                                      |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                                                    |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                |
| <b>Tested Applications:</b>   | ELISA, IHC                                                                                                                                |
| <b>Recommended dilutions:</b> | IHC: 1/50 - 1/100, ELISA: 1/40000. Optimal dilutions/concentrations should be determined by the end user.                                 |
| <b>Immunogen:</b>             | The antiserum was produced against synthesized non-phosphopeptide derived from human APC1 around the phosphorylation site of residue 355. |
| <b>Purification:</b>          | Purified from rabbit antiserum by affinity chromatography using epitope-specific immunogen.                                               |
| <b>Form:</b>                  | Liquid                                                                                                                                    |
| <b>Isotype:</b>               | IgG                                                                                                                                       |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                              |
| <b>Storage:</b>               | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.                                                                           |
| <b>Swiss Prot:</b>            | <a href="#">Q9H1A4</a>                                                                                                                    |
| <b>Buffer:</b>                | PBS (without $Mg^{2+}$ and $Ca^{2+}$ ), pH 7.4, 150 mM NaCl, 0.02% sodium azide, 50% glycerol.                                            |
