Anti-Mullerian hormone (AMH) Antibody

Catalogue No.: abx023947

Anti-Mullerian hormone (AMH) Antibody is a Mouse Monoclonal against Anti-Mullerian hormone (AMH).

Target:	Anti-Mullerian hormone (AMH)
Host:	Mouse
Clonality:	Monoclonal
Tested Applications:	ELISA, LF, CLIA
Immunogen:	Recombinant Anti Mullerian Hormone (AMH).
Purity:	> 90%
Purification:	Purified from Ascites. Protein A Chromatography.
Form:	Liquid
Isotype:	IgG _{2b}
Specificity:	Recognizes Anti Mullerian Hormone (AMH).
Storage:	Short term: Store at 2-8°C. Long term: Store at -20°C.
Concentration:	5.59 mg/ml (OD280nm, E0.1% = 1.4)
Buffer:	10 mM Phosphate Buffered Saline, pH 7.4. Preservative: 0.02% Proclin 300.
Note:	This product is for research use only.
