## **Thiobarbituric Acid Reactive Substances (TBARS) Assay Kit**

Catalogue No.: abx097981

Thiobarbituric Acid Reactive Substances (TBARS) Assay Kit is an assay kit for quantitative detection of TBARS.

**Target:** Thiobarbituric Acid Reactive Substances (TBARS)

**Reactivity:** General

**Storage:** Store all reagents at room temperature.

**ELISA Detection:** Colorimetric

**Sample Type:** Serum, plasma, tissue homogenates, cell lysates, cell culture media, urine and other biological fluids.

**Note:** This product is for research use only.
