

Phospholipase A2, membrane associated Antibody (HRP)

Catalogue No.: abx108611

Phospholipase A2, membrane associated Antibody (HRP) is a Rabbit Polyclonal antibody against Phospholipase A2, membrane associated conjugated to HRP. Phospholipase A2 is thought to participate in the regulation of the phospholipid metabolism in biomembranes including eicosanoid biosynthesis. Catalyzes the calcium-dependent hydrolysis of the 2-acyl groups in 3-sn-phosphoglycerides.
