## Selenoprotein T Antibody

Catalogue No.: abx109375

Selenoprotein T Antibody is a Rabbit Polyclonal antibody against Selenoprotein T.

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Selenoprotein T                                                        |
| <b>Reactivity:</b>            | Mouse                                                                  |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Tested Applications:</b>   | ELISA                                                                  |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Immunogen:</b>             | Recombinant mouse Selenoprotein T protein (20-195AA).                  |
| <b>Purity:</b>                | > 95%                                                                  |
| <b>Purification:</b>          | Protein G.                                                             |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Isotype:</b>               | IgG                                                                    |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Storage:</b>               | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.        |
| <b>Swiss Prot:</b>            | <a href="#">P62342</a>                                                 |
| <b>GeneID:</b>                | <a href="#">69227</a>                                                  |
| <b>Gene Symbol:</b>           | SELENOT                                                                |
| <b>Buffer:</b>                | 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.                |
| <b>Note:</b>                  | This product is for research use only.                                 |
