## Angiogenic Factor With G Patch And FHA Domains 1 (AGGF1) Antibody

Catalogue No.: abx110970

Angiogenic Factor With G Patch And Fha Domains 1 Antibody is a Rabbit Polyclonal antibody against Angiogenic Factor With G Patch And Fha Domains 1.

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Angiogenic Factor With G Patch And Fha Domains 1                       |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                      |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                         |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Immunogen:</b>             | Human AGGF1.                                                           |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                       |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Isotype:</b>               | IgG                                                                    |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Storage:</b>               | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.        |
| <b>Swiss Prot:</b>            | <a href="#">Q8N302</a>                                                 |
| <b>GeneID:</b>                | <a href="#">55109</a>                                                  |
| <b>Gene Symbol:</b>           | AGGF1                                                                  |
| <b>OMIM:</b>                  | <a href="#">68464</a>                                                  |
| <b>NCBI Accession:</b>        | NP_060516.2, NM_018046.4, [Q8N302-1]                                   |
| <b>Buffer:</b>                | PBS, pH 7.3, containing 0.1% Sodium Azide and 50% Glycerol.            |
