## E3 Ubiquitin-Protein Ligase HECTD3 (HECTD3) Antibody

Catalogue No.: abx112953

Hect Domain Containing 3 Antibody is a Rabbit Polyclonal antibody against Hect Domain Containing 3.

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Hect Domain Containing 3                                               |
| <b>Reactivity:</b>            | Human, Mouse                                                           |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Tested Applications:</b>   | ELISA, WB                                                              |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Immunogen:</b>             | Human HECTD3.                                                          |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                       |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Isotype:</b>               | IgG                                                                    |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Storage:</b>               | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.        |
| <b>Swiss Prot:</b>            | <a href="#">Q5T447</a>                                                 |
