## Proteasome 26S Subunit, Non-ATPase 11 (PSMD11) Antibody Pair

Catalogue No.: abx117376

PSMD11 Antibody Pair for use in Sandwich ELISA assay development.

|                                        |                                                 |
|----------------------------------------|-------------------------------------------------|
| <b>Target:</b>                         | PSMD11                                          |
| <b>Reactivity:</b>                     | Rat, Mouse, Cow, Pig, Dog, Chicken, Goat, Sheep |
| <b>Tested Applications:</b>            | ELISA                                           |
| <b>Immunogen:</b>                      | Human                                           |
| <b>Form:</b>                           | Liquid                                          |
| <b>ELISA Type:</b>                     | Sandwich                                        |
| <b>Capture Antibody Host:</b>          | Rabbit                                          |
| <b>Detection Antibody Host:</b>        | Rabbit                                          |
| <b>Capture Antibody Clonality:</b>     | Polyclonal                                      |
| <b>Capture Antibody Isotype:</b>       | IgG                                             |
| <b>Detection Antibody Clonality:</b>   | Polyclonal                                      |
| <b>Detection Antibody Isotype:</b>     | IgG                                             |
| <b>Capture Antibody Conjugation:</b>   | Unconjugated                                    |
| <b>Detection Antibody Conjugation:</b> | Biotin                                          |
| <b>Buffer:</b>                         | 50% Glycerol, 0.01 M PBS, PH 7.4                |
| <b>Note:</b>                           | This product is for research use only.          |
