## TTK Protein Kinase (TTK) Antibody

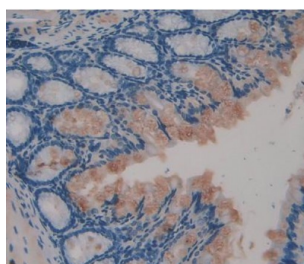

Catalogue No.: abx129791

Western blot analysis of the recombinant protein.

IHC-P analysis of Mouse Uterus Tissue, with DAB staining.

IHC-P analysis of Kidney tissue, with DAB staining.

TTK Protein Kinase Antibody is a Rabbit Polyclonal against TTK Protein Kinase.

**Target:** TTK Protein Kinase (TTK)

**Reactivity:** Mouse

**Host:** Rabbit

**Clonality:** Polyclonal

**Tested Applications:** WB, IHC, IF/ICC, IP

**Recommended dilutions:** Optimal dilutions/concentrations should be determined by the end user.

**Immunogen:** TTK (Leu527-Thr786)

|                      |                                                                                                              |
|----------------------|--------------------------------------------------------------------------------------------------------------|
| <b>Purification:</b> | Antigen-specific affinity chromatography followed by Protein A affinity chromatography.                      |
| <b>Form:</b>         | Liquid                                                                                                       |
| <b>Conjugation:</b>  | Unconjugated                                                                                                 |
| <b>Storage:</b>      | Store at 4 °C for frequent use. Aliquot and store at -20 °C for one year. Avoid repeated freeze/thaw cycles. |
| <b>Buffer:</b>       | PBS, pH 7.4, containing 0.02% NaN <sub>3</sub> , 50% glycerol.                                               |
| <b>Note:</b>         | This product is for research use only.                                                                       |
