

## Gamma-Tubulin Complex Component 6 (TUBGCP6) Antibody

Catalogue No.: abx133449

GCP6 Antibody is a Rabbit Polyclonal against GCP6.

|                               |                                                                                                                                     |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | GCP6                                                                                                                                |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                        |
| <b>Host:</b>                  | Rabbit                                                                                                                              |
| <b>Clonality:</b>             | Polyclonal                                                                                                                          |
| <b>Tested Applications:</b>   | WB, IHC                                                                                                                             |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/1000, IHC: 1/100 - 1/200. Optimal dilutions/concentrations should be determined by the end user.                      |
| <b>Immunogen:</b>             | KLH-conjugated synthetic peptide encompassing a sequence within the center region of human GCP6. The exact sequence is proprietary. |
| <b>Purification:</b>          | The antibody was purified by immunogen affinity chromatography.                                                                     |
| <b>Form:</b>                  | Liquid                                                                                                                              |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                        |
| <b>Specificity:</b>           | Recognizes endogenous levels of GCP6 protein.                                                                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C for one year. Avoid repeated freeze/thaw cycles.                                                         |
| <b>Swiss Prot:</b>            | <a href="#">Q96RT7</a>                                                                                                              |
| <b>GeneID:</b>                | <a href="#">85378</a>                                                                                                               |
| <b>Gene Symbol:</b>           | TUBGCP6                                                                                                                             |
| <b>Buffer:</b>                | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                     |
| <b>Note:</b>                  | This product is for research use only.                                                                                              |
