## **Integrin Alpha M (ITGAM) Antibody**

Catalogue No.: abx146791

Integrin alpha M (ITGAM) Antibody is a Rabbit Polyclonal against Integrin alpha M (ITGAM).

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Integrin alpha M (ITGAM)                                               |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                      |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Tested Applications:</b>   | WB                                                                     |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Purification:</b>          | Purified by affinity chromatography.                                   |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Storage:</b>               | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.        |
