## **Methoxyboronic acid pinacol ester**

Catalogue No.: abx185463

Methoxyboronic acid pinacol ester is a chemical reagent.

|                           |                                        |
|---------------------------|----------------------------------------|
| <b>Target:</b>            | Methoxyboronic acid pinacol ester      |
| <b>Purity:</b>            | 96%                                    |
| <b>CAS Number:</b>        | 1195-66-0                              |
| <b>Molecular Weight:</b>  | 158                                    |
| <b>Molecular Formula:</b> | $C_7H_{15}BO_3$                        |
| <b>Note:</b>              | This product is for research use only. |
