## **Activated CDC42 Kinase 1 (ACK1) Antibody**

Catalogue No.: abx230086

ACK1 Antibody is a Rabbit Polyclonal against ACK1.

|                             |                                                                  |
|-----------------------------|------------------------------------------------------------------|
| <b>Target:</b>              | ACK1                                                             |
| <b>Reactivity:</b>          | Human, Mouse, Rat                                                |
| <b>Host:</b>                | Rabbit                                                           |
| <b>Clonality:</b>           | Polyclonal                                                       |
| <b>Tested Applications:</b> | ELISA, WB, IHC                                                   |
| <b>Purity:</b>              | > 95% (SDS-PAGE)                                                 |
| <b>Purification:</b>        | Immunogen affinity purified.                                     |
| <b>Form:</b>                | Liquid                                                           |
| <b>Isotype:</b>             | IgG                                                              |
| <b>Conjugation:</b>         | Unconjugated                                                     |
| <b>Storage:</b>             | Store at -20°C for 24 months. Avoid repeated freeze/thaw cycles. |
| <b>Buffer:</b>              | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3             |
| <b>Note:</b>                | This product is for research use only.                           |
