KN Motif And Ankyrin Repeat Domain Containing Protein 2 (KANK2) Antibody

Catalogue No.: abx234464

KANK2 Antibody is a Rabbit Polyclonal against KANK2.

Target:	KANK2
Reactivity:	Human, Mouse, Rat
Host:	Rabbit
Clonality:	Polyclonal
Tested Applications:	ELISA, IHC, IF/ICC
Purity:	> 95% (SDS-PAGE)
Purification:	Immunogen affinity purified.
Form:	Liquid
Isotype:	IgG
Conjugation:	Unconjugated
Storage:	Store at -20°C for 24 months. Avoid repeated freeze/thaw cycles.
Buffer:	PBS with 0.02% sodium azide and 50% glycerol, pH 7.3
Note:	This product is for research use only.
