Phosphatidylinositol-4-Phosphate 5-Kinase Type 1 Beta (PIP5K1B) Antibody

Catalogue No.: abx236464

PIP5K1B Antibody is a Rabbit Polyclonal against PIP5K1B.

Target:	PIP5K1B
Reactivity:	Human, Mouse, Rat
Host:	Rabbit
Clonality:	Polyclonal
Tested Applications:	ELISA, WB, IHC
Purity:	> 95% (SDS-PAGE)
Purification:	Immunogen affinity purified.
Form:	Liquid
Isotype:	IgG
Conjugation:	Unconjugated
Storage:	Store at -20°C for 24 months. Avoid repeated freeze/thaw cycles.
Buffer:	PBS with 0.02% sodium azide and 50% glycerol, pH 7.3
Note:	This product is for research use only.
