

Tripartite Motif-Containing Protein 46 (TRIM46) Antibody

Catalogue No.: abx238988

TRIM46 Antibody is a Rabbit Polyclonal against TRIM46.

| | |
|-----------------------------|------------------------------------------------------------------|
| Target: | TRIM46 |
| Reactivity: | Human, Mouse, Rat |
| Host: | Rabbit |
| Clonality: | Polyclonal |
| Tested Applications: | ELISA, WB, IF/ICC |
| Purity: | > 95% (SDS-PAGE) |
| Purification: | Immunogen affinity purified. |
| Form: | Liquid |
| Isotype: | IgG |
| Conjugation: | Unconjugated |
| Storage: | Store at -20°C for 24 months. Avoid repeated freeze/thaw cycles. |
| Buffer: | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3 |
| Note: | This product is for research use only. |
