Transient Receptor Potential Cation Channel Subfamily C Member 4 Associated Protein (TRPC4AP) Antibody

Catalogue No.: abx239016

TRPC4AP Antibody is a Rabbit Polyclonal against TRPC4AP.

| | |
|-----------------------------|--|
| Target: | TRPC4AP |
| Reactivity: | Human, Mouse, Rat |
| Host: | Rabbit |
| Clonality: | Polyclonal |
| Tested Applications: | ELISA, WB, IHC, IP |
| Purity: | > 95% (SDS-PAGE) |
| Purification: | Immunogen affinity purified. |
| Form: | Liquid |
| Isotype: | IgG |
| Conjugation: | Unconjugated |
| Storage: | Store at -20°C for 24 months. Avoid repeated freeze/thaw cycles. |
| Buffer: | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3 |
| Note: | This product is for research use only. |
