Hepatitis C Virus NS3 (1450-1643), Biotin Labeled Protein

Catalogue No.: abx260352

Hepatitis C Virus NS3 (1450-1643), Biotin Labeled (recombinant) is a viral antigen from hepatitis c virus.

Target:	HCV NS3-Biotin
Conjugation:	Unconjugated
Specificity:	Reactivity with human HCV positive serum undetermined.
Expression:	Recombinant
Note:	This product is for research use only.
