## **Fish Prolactin Soluble Receptor Protein**

Catalogue No.: abx261785

Fish Prolactin Soluble Receptor Protein (recombinant) is a cytokine.

**Target:** Prl R

**Origin:** Fish

**Conjugation:** Unconjugated

**Expression:** Recombinant

**Swiss Prot:** [Q9DE08](#)

**Sequence:** The sequence of the first five N-terminal amino acids was determined and was found to be Ala-Arg-His-Thr-Pro.

**Note:** This product is for research use only.
