## **SRY (sex determining region Y)-box 2 Polyarginine-Tag Protein**

Catalogue No.: abx262472

SOX2 PolyR is a recombinant protein.

**Target:** SOX2 PolyR

**Conjugation:** Unconjugated

**Expression:** Recombinant

**Swiss Prot:** [P48431](#)

**Sequence:** The sequence of the first five N-terminal amino acids was determined and was found to be Met-Trp-Asn-Met-Met.

**Note:** This product is for research use only.
