Superoxide Dismutase [Cu-Zn] (SOD1) Protein

Catalogue No.: abx262995

SOD is a recombinant protein.

Target: SOD

Conjugation: Unconjugated

Expression: Recombinant

Swiss Prot: [P00441](#)

Sequence: The sequence of the first five N-terminal amino acids was determined and was found to be Ala-Thr-Lys-Ala-Val.

Note: This product is for research use only.
