Pig Interleukin 1 Alpha (IL1A) Protein

Catalogue No.: abx263471

Pig Interleukin-1 alpha Protein (recombinant) is a cytokine.

Target: IL1A

Origin: Pig

Conjugation: Unconjugated

Expression: Recombinant

Swiss Prot: [P18430](#)

Sequence: The sequence of the first five N-terminal amino acids was determined and was found to be Ser-Ala-Thr-Tyr-Ser.

Note: This product is for research use only.
