Transglutaminase Substrate, biotinylated Peptide

Catalogue No.: abx265629

Transglutaminase Substrate, biotinylated is a peptide.

Target: Transglutaminase Substrate, biotinylated

Conjugation: Unconjugated

Molecular Weight: 943.1

Molecular Formula: $C_{40}H_{66}N_{10}O_{14}S$

Sequence: Biotin-Thr-Val-Gln-Gln-Glu-Leu

Note: This product is for research use only.
