Bovine Pineal Antireproductive Peptide

Catalogue No.: abx265717

Bovine Pineal Antireproductive Peptide is a peptide.

Target: Bovine Pineal Antireproductive Peptide

Conjugation: Unconjugated

Molecular Weight: 334.38

Molecular Formula: $C_{13}H_{26}N_4O_6$

Sequence: Thr-Ser-Lys

Note: This product is for research use only.
