Adipokinetic Hormone II from Schistocera gregaria Peptide

Catalogue No.: abx266029

Adipokinetic Hormone II from Schistocera gregaria is a peptide.

Target: Adipokinetic Hormone II from Schistocera gregaria

Conjugation: Unconjugated

Molecular Weight: 934

Molecular Formula: $C_{44}H_{60}N_{11}O_{12}$

Sequence: Pyr-Leu-Asn-Phe-Ser-Thr-Gly-Trp-NH₂

Note: This product is for research use only.
