Experimental Autoimmune Encephalomyelitis Complementary Peptide

Catalogue No.: abx266248

Experimental Autoimmune Encephalomyelitis Complementary Peptide is a peptide.

Target: Experimental Autoimmune Encephalomyelitis Complementary Peptide

Conjugation: Unconjugated

Molecular Weight: 1197.54

Molecular Formula: $C_{59}H_{100}N_{14}O_{12}$

Sequence: Val-Phe-Ile-Leu-Gly-Pro-Leu-Arg-Leu-Leu-Gly
