## **Substance P (Biotin) Peptide**

Catalogue No.: abx266406

Substance P (Biotin) is a peptide.

|                           |                                                                    |
|---------------------------|--------------------------------------------------------------------|
| <b>Target:</b>            | Biotin-Substance P                                                 |
| <b>Conjugation:</b>       | Biotin                                                             |
| <b>Molecular Weight:</b>  | 1573.96                                                            |
| <b>Molecular Formula:</b> | $C_{73}H_{112}N_{20}O_{15}S_2$                                     |
| <b>Sequence:</b>          | Biotin-Arg-Pro-Lys-Pro-Gln-Gln-Phe-Phe-Gly-Leu-Met-NH <sub>2</sub> |
| <b>Note:</b>              | This product is for research use only.                             |
