

## Dehydrogenase/Reductase X-Linked (DHR SX) Antibody

Catalogue No.: abx301537

DHR SX Antibody is a Rabbit Polyclonal against DHR SX.

|                                  |                                                                                                 |
|----------------------------------|-------------------------------------------------------------------------------------------------|
| <b>Target:</b>                   | DHR SX                                                                                          |
| <b>Reactivity:</b>               | Human                                                                                           |
| <b>Host:</b>                     | Rabbit                                                                                          |
| <b>Clonality:</b>                | Polyclonal                                                                                      |
| <b>Tested Applications:</b>      | ELISA, IHC                                                                                      |
| <b>Recommended dilutions:</b>    | IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user.       |
| <b>Immunogen:</b>                | Recombinant human Dehydrogenase/reductase SDR family member on chromosome X protein (32-330AA). |
| <b>Purity:</b>                   | > 95%                                                                                           |
| <b>Purification:</b>             | Protein G.                                                                                      |
| <b>Form:</b>                     | Liquid                                                                                          |
| <b>Isotype:</b>                  | IgG                                                                                             |
| <b>Conjugation:</b>              | Unconjugated                                                                                    |
| <b>Storage:</b>                  | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.                                 |
