## Phosphoglycerate Kinase 2 (PGK2) Antibody (HRP)

Catalogue No.: abx304803

PGK2 Antibody (HRP) is a Rabbit Polyclonal against PGK2 conjugated to HRP.

|                                  |                                                                                          |
|----------------------------------|------------------------------------------------------------------------------------------|
| <b>Target:</b>                   | PGK2                                                                                     |
| <b>Reactivity:</b>               | Human                                                                                    |
| <b>Host:</b>                     | Rabbit                                                                                   |
| <b>Clonality:</b>                | Polyclonal                                                                               |
| <b>Tested Applications:</b>      | ELISA                                                                                    |
| <b>Recommended dilutions:</b>    | Optimal dilutions/concentrations should be determined by the end user.                   |
| <b>Immunogen:</b>                | Recombinant human Phosphoglycerate kinase 2 protein (101-300AA).                         |
| <b>Purity:</b>                   | > 95%                                                                                    |
| <b>Purification:</b>             | Protein G.                                                                               |
| <b>Form:</b>                     | Liquid                                                                                   |
| <b>Isotype:</b>                  | IgG                                                                                      |
| <b>Conjugation:</b>              | HRP                                                                                      |
| <b>Storage:</b>                  | Aliquot and store at -20 °C. Avoid exposure to light. Avoid repeated freeze/thaw cycles. |
