## TRIML1 Antibody (Biotin)

Catalogue No.: abx309014

TRIML1 Antibody (Biotin) is a Rabbit Polyclonal against TRIML1 conjugated to Biotin.

|                                  |                                                                                          |
|----------------------------------|------------------------------------------------------------------------------------------|
| <b>Target:</b>                   | TRIML1                                                                                   |
| <b>Reactivity:</b>               | Human                                                                                    |
| <b>Host:</b>                     | Rabbit                                                                                   |
| <b>Clonality:</b>                | Polyclonal                                                                               |
| <b>Tested Applications:</b>      | ELISA                                                                                    |
| <b>Recommended dilutions:</b>    | Optimal dilutions/concentrations should be determined by the end user.                   |
| <b>Immunogen:</b>                | Recombinant human Probable E3 ubiquitin-protein ligase TRIML1 protein (277-468AA).       |
| <b>Purity:</b>                   | > 95%                                                                                    |
| <b>Purification:</b>             | Protein G.                                                                               |
| <b>Form:</b>                     | Liquid                                                                                   |
| <b>Isotype:</b>                  | IgG                                                                                      |
| <b>Conjugation:</b>              | Biotin                                                                                   |
| <b>Storage:</b>                  | Aliquot and store at -20 °C. Avoid exposure to light. Avoid repeated freeze/thaw cycles. |
| <b>Swiss Prot:</b>               | <a href="#">Q8N9V2</a>                                                                   |
| <b>GeneID:</b>                   | <a href="#">339976</a>                                                                   |
| <b>Gene Symbol:</b>              | TRIML1                                                                                   |
| <b>Enzyme Commission Number:</b> | EC:6.3.2.-                                                                               |
| <b>Buffer:</b>                   | 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.                                  |
