

## Lysophosphatidic Acid Receptor 1 (LPAR1) Antibody (HRP)

Catalogue No.: abx314206

LPAR1 Antibody (HRP) is a Rabbit Polyclonal against LPAR1 conjugated to HRP.

|                               |                                                                                          |
|-------------------------------|------------------------------------------------------------------------------------------|
| <b>Target:</b>                | LPAR1                                                                                    |
| <b>Reactivity:</b>            | Human                                                                                    |
| <b>Host:</b>                  | Rabbit                                                                                   |
| <b>Clonality:</b>             | Polyclonal                                                                               |
| <b>Tested Applications:</b>   | ELISA                                                                                    |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                   |
| <b>Immunogen:</b>             | Recombinant human Lysophosphatidic acid receptor 1 protein (316-364AA).                  |
| <b>Purity:</b>                | > 95%                                                                                    |
| <b>Purification:</b>          | Protein G.                                                                               |
| <b>Form:</b>                  | Liquid                                                                                   |
| <b>Isotype:</b>               | IgG                                                                                      |
| <b>Conjugation:</b>           | HRP                                                                                      |
| <b>Storage:</b>               | Aliquot and store at -20 °C. Avoid exposure to light. Avoid repeated freeze/thaw cycles. |
