

## Partitioning Defective 6 Homolog Gamma (PARD6G) Antibody

Catalogue No.: abx317962

PARD6G Antibody is a Rabbit Polyclonal against PARD6G.

|                               |                                                                                                               |
|-------------------------------|---------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | PARD6G                                                                                                        |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                                        |
| <b>Clonality:</b>             | Polyclonal                                                                                                    |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                             |
| <b>Recommended dilutions:</b> | WB: 1/2000 - 1/5000, IF: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Immunogen:</b>             | Recombinant human Partitioning defective 6 homolog gamma protein (249-326AA).                                 |
| <b>Purity:</b>                | > 95%                                                                                                         |
