## Pleckstrin Homology-Like Domain Family B Member 2 (PHLDB2) Antibody

Catalogue No.: abx318214

PHLDB2 Antibody is a Rabbit Polyclonal against PHLDB2.

|                               |                                                                                                                                                                          |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | PHLDB2                                                                                                                                                                   |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                                                             |
| <b>Host:</b>                  | Rabbit                                                                                                                                                                   |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                                               |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                                                                   |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000, IHC: 1/20 - 1/200, IF: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user.                                          |
