## Melanocortin 2 Receptor Accessory Protein 2 (MRAP2) Antibody

Catalogue No.: abx318650

MRAP2 Antibody is a Rabbit Polyclonal against MRAP2.

|                               |                                                                                                                                  |
|-------------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | MRAP2                                                                                                                            |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                     |
| <b>Host:</b>                  | Rabbit                                                                                                                           |
| <b>Clonality:</b>             | Polyclonal                                                                                                                       |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                           |
| <b>Recommended dilutions:</b> | WB: 1/1000 - 1/5000, IHC: 1/20 - 1/200, IF: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Immunogen:</b>             | Recombinant human Melanocortin-2 receptor accessory protein 2 protein (66-205AA).                                                |
