## Bromodomain-Containing Protein 9 (BRD9) Antibody

Catalogue No.: abx320210

BRD9 Antibody is a Rabbit Polyclonal against BRD9.

|                               |                                                                                                                              |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | BRD9                                                                                                                         |
| <b>Reactivity:</b>            | Human                                                                                                                        |
| <b>Host:</b>                  | Rabbit                                                                                                                       |
| <b>Clonality:</b>             | Polyclonal                                                                                                                   |
| <b>Tested Applications:</b>   | ELISA, IHC, IF/ICC                                                                                                           |
| <b>Recommended dilutions:</b> | IHC: 1/20 - 1/200, IF: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user.                  |
| <b>Immunogen:</b>             | Recombinant human Bromodomain-containing protein 9 protein (338-597AA).                                                      |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                             |
| <b>Form:</b>                  | Liquid                                                                                                                       |
| <b>Isotype:</b>               | IgG                                                                                                                          |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                 |
| <b>Storage:</b>               | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.                                                              |
