## **G Protein-Coupled Receptor 158 (GPR158) Antibody**

Catalogue No.: abx326237

GPR158 Antibody is a Rabbit Polyclonal against GPR158.

|                               |                                                                                                                                                   |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | GPR158                                                                                                                                            |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                                      |
| <b>Host:</b>                  | Rabbit                                                                                                                                            |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                        |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                                            |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/2000, IHC: 1/100 - 1/300, IF: 1/200 - 1/1000, ELISA: 1/5000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Immunogen:</b>             | Synthesized peptide derived from the N-terminal region of human GPR158.                                                                           |
| <b>Purification:</b>          | Affinity Chromatography.                                                                                                                          |
| <b>Form:</b>                  | Liquid                                                                                                                                            |
| <b>Isotype:</b>               | IgG                                                                                                                                               |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                                      |
| <b>Storage:</b>               | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.                                                                                   |
