

## Phospho-PDGFR beta (Tyr740) Ab

Cat.#: AF3132 Concn.: 1mg/ml Mol.Wt.: 170kDa Size: 100ul,200ul Source: Rabbit Clonality: Polyclonal

Application: WB 1:500-1:2000 IHC 1:50-1:200

Reactivity: Human, Mouse, Rat

Purification: The Ab is from purified rabbit serum by affinity purification

via sequential chromatography on phospho- and non-

phospho-peptide affinity columns.

Specificity: Phospho-PDGFR beta (Tyr740) Ab detects endogenous levels

of PDGFR beta only when phosphorylated at Tyrosine 740.

Immunogen: A synthesized peptide derived from human PDGFR beta

around the phosphorylation site of Tyrosine 740.

Uniprot: P09619

Description: This gene encodes a cell surface tyrosine kinase receptor for

members of the platelet-derived growth factor family. These growth factors are mitogens for cells of mesenchymal origin. The identity of the growth factor bound to a receptor monomer determines whether the functional receptor is a homodimer or a heterodimer, composed of both platelet-derived growth factor receptor alpha and beta polypeptides.

Subcellular Location: Membrane.

Similarity: Belongs to the protein kinase superfamily. Tyr protein kinase

family. CSF-1/PDGF receptor subfamily.

Storage Condition and

Buffer:

Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at -20

°C.Stable for 12 months from date of receipt.

Western blot analysis of PDGFR beta phosphorylation expression in mouse brain tissue lysates, The lane on the right is treated with the antigen-specific peptide.

## Affinity Biosciences website:www.affbiotech.com order:order@affbiotech.com

Western blot analysis of PDGFR beta phosphorylation expression in EGF treated HepG2 whole cell lysates, The lane on the left is treated with the antigen-specific peptide.

Phospho-PDGFR beta (Tyr740) Ab for IHC in human testis

<code>IMPORTANT:</code> For western blot, incubate membrane with diluted primary Ab in 5% w/v milk , 1X TBS, 0.1% Tween020 at  $4^{\circ}$ C with gentle shaking, overnight.

For Research Use Only. Not for use in diagnostic and therapeutic procedures. Not for resale without express authorization.
