

## CARD11 Ab

Cat.#: AF4790  
Size: 50ul,100ul,200ul

Concn.: 1mg/ml  
Source: Rabbit

Mol.Wt.: 130kDa  
Clonality: Polyclonal

|                               |                                                                                                                                                                                                                                                                                                     |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application:                  | WB 1:500-1:2000                                                                                                                                                                                                                                                                                     |
| Reactivity:                   | Human,Mouse,Rat                                                                                                                                                                                                                                                                                     |
| Purification:                 | The antiserum was purified by peptide affinity chromatography using SulfoLink™ Coupling Resin (Thermo Fisher Scientific).                                                                                                                                                                           |
| Specificity:                  | CARD11 Ab detects endogenous levels of CARD11.                                                                                                                                                                                                                                                      |
| Immunogen:                    | A synthesized peptide derived from human CARD11.                                                                                                                                                                                                                                                    |
| Uniprot:                      | Q9BXL7                                                                                                                                                                                                                                                                                              |
| Subcellular Location:         | Cytoplasm. Membrane raft. Colocalized with DPP4 in membrane rafts.                                                                                                                                                                                                                                  |
| Tissue Specificity:           | Detected in adult peripheral blood leukocytes, thymus, spleen and liver. Also found in promyelocytic leukemia HL-60 cells, chronic myelogenous leukemia K-562 cells, Burkitt's lymphoma Raji cells and colorectal adenocarcinoma SW480 cells. Not detected in HeLaS3, MOLT-4, A-549 and G431 cells. |
| Storage Condition and Buffer: | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.Store at -20 °C.Stable for 12 months from date of receipt.                                                                                                                                        |

Western blot analysis of CARD11 in lysates of Jurkat , using CARD11 Ab(AF4790).

**IMPORTANT:** For western blot, incubate membrane with diluted primary Ab in 5% w/v milk , 1X TBS, 0.1% Tween@20 at 4°C with gentle shaking, overnight.

For Research Use Only. Not for use in diagnostic and therapeutic procedures. Not for resale without express authorization.
