|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Name:</b>            | Anti-Human Parathyroid Hormone (ABT-PTH) Mouse Monoclonal Antibody                                                                                                          |
| <b>Catalog Number:</b>          | V0108                                                                                                                                                                       |
| <b>Clone ID:</b>                | ABT-PTH                                                                                                                                                                     |
| <b>Reactivity:</b>              | Human, Mouse, Rat                                                                                                                                                           |
| <b>Applications:</b>            | IHC                                                                                                                                                                         |
| <b>Application Dilutions</b>    | IHC 1:100-200                                                                                                                                                               |
| <b>Modification:</b>            | Unmodified/ Total                                                                                                                                                           |
| <b>Source:</b>                  | Monoclonal Mouse                                                                                                                                                            |
| <b>UniProt:</b>                 | PTH                                                                                                                                                                         |
| <b>Gene Name:</b>               | P01270                                                                                                                                                                      |
| <b>Other Name:</b>              | hPTH, Parathormone, Parathyrin, Parathyroid hormone 1, Parathyroid hormone, Prepro PTH, Preproparathyroid hormone, PTH, PTH1, PTH1 receptor, PTH1R, PTHR, PTHR1, PTHY_HUMAN |
| <b>Isotype</b>                  | IgG1, Kappa                                                                                                                                                                 |
| <b>Localization:</b>            | Parathyroid                                                                                                                                                                 |
| <b>Positive Tissue Control:</b> | Cytoplasmic, Membranous                                                                                                                                                     |
| <b>Immunogen</b>                | Synthetic peptide                                                                                                                                                           |
| <b>Purification</b>             | Immunogen affinity purified                                                                                                                                                 |
| <b>Formulation:</b>             | PBS, pH7.4, 50% glycerol, 0.03%Proclin300                                                                                                                                   |
| <b>Specificity:</b>             | The antibody can specifically recognize human Parathyroid Hormone protein.                                                                                                  |
| <b>Storage and Stability:</b>   | -20°C/1 year                                                                                                                                                                |
