

## Anti-PON1 Rabbit Monoclonal Antibody

Catalog Number: M00516-6

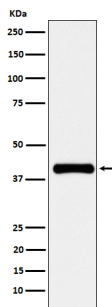

### Overview

|                      |                                                                                                                                            |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Product Name         | Anti-PON1 Rabbit Monoclonal Antibody                                                                                                       |
| Reactive Species     | Human                                                                                                                                      |
| Description          | Boster Bio Anti-PON1 Rabbit Monoclonal Antibody catalog # M00516-6. Tested in WB, IHC, IP applications. This antibody reacts with Human.   |
| Application          | IP, IHC, WB                                                                                                                                |
| Clonality            | Monoclonal 21P76                                                                                                                           |
| Formulation          | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA.                        |
| Storage Instructions | Store at -20°C for one year. For short term storage and frequent use, store at 4°C for up to one month. Avoid repeated freeze-thaw cycles. |
| Host                 | Rabbit                                                                                                                                     |
| Uniprot ID           | P27169                                                                                                                                     |

### Technical Details

|                     |                                               |
|---------------------|-----------------------------------------------|
| Immunogen           | A synthesized peptide derived from human PON1 |
| Isotype             | IgG                                           |
| Form                | Liquid                                        |
| Concentration       | 0.2129mg/ml                                   |
| Purification        | Affinity-chromatography                       |
| Suggested Dilutions | WB 1:500-1:2000<br>IHC 1:50-1:200<br>IP 1:50  |

## Anti-PON1 Rabbit Monoclonal Antibody (M00516-6) Images

Western blot analysis of PON1 expression in human plasma cell lysate.
