

## Anti-CRTC3 Rabbit Monoclonal Antibody

Catalog Number: M04568

### About CRTC3

Putative transcription factor involved in pancreas development and function.

### Overview

|                      |                                                                                                                                                         |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Name         | Anti-CRTC3 Rabbit Monoclonal Antibody                                                                                                                   |
| Reactive Species     | Human, Mouse, Rat                                                                                                                                       |
| Description          | Boster Bio Anti-CRTC3 Rabbit Monoclonal Antibody catalog # M04568. Tested in WB, IHC, ICC/IF applications. This antibody reacts with Human, Mouse, Rat. |
| Application          | IF, IHC, ICC, WB                                                                                                                                        |
| Clonality            | Monoclonal 28C23                                                                                                                                        |
| Formulation          | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA.                                     |
| Storage Instructions | Store at -20°C for one year. For short term storage and frequent use, store at 4°C for up to one month. Avoid repeated freeze-thaw cycles.              |
| Host                 | Rabbit                                                                                                                                                  |
| Uniprot ID           | Q6UUV7                                                                                                                                                  |

### Technical Details

|                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
