

## Human K-RAS Recombinant Protein

Catalog Number: PROTP01116

### Overview

|              |                                                                                                                                  |
|--------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Name | Human K-RAS Recombinant Protein                                                                                                  |
| Description  | Human K-RAS Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-185aa (partial). Application(s): SDS-PAGE. |
| Size         | Starting from 20ug                                                                                                               |
| Tag          | His-Tag                                                                                                                          |
| Form         | Liquid                                                                                                                           |
| Source       | E. coli                                                                                                                          |
| Formulation  | 20mM Tris-HCl buffer (pH 8.0) containing 0.1M NaCl, 1mM DTT, 10% glycerol                                                        |

### Concentration

0.5mg/ml (determined by Bradford assay)

### Storage

Can be stored at 2°C to 8°C for 1 week. For long-term storage, aliquot and store at -20°C to -80°C. Avoid repeated freeze-thaw cycles.

### Purity

> 90% by SDS-PAGE

### Amino Acid Sequence

Human, P01116, 1-185aa (partial); MTEYKLVVVG AGGVGKSALT IQLIQNHFVD EYDPTIEDSY RKQVVIDGET CLLDILDTAG HEEYSAMRDQ YMRTGEGFLC VFAINNTKSF EDIHHYREQI KRVKDSEDVP MVLVGNKCDL PSRTVDTKQA QDLARSYGIP FIETSAKTRQ GVDDAFYTLV REIRKHKEKM SKDGKKKKKK SKTKC [?](#)/description\_after\_attributes?

## Usage

Boster's products are furnished for LABORATORY RESEARCH USE ONLY. The product may not be used as drugs, agricultural or pesticidal products, food additives or household chemicals.
