

## Human NMB Recombinant Protein

Catalog Number: PROTP08949

### Overview

|              |                                                                                                                                  |
|--------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Name | Human NMB Recombinant Protein                                                                                                    |
| Description  | Human NMB Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 25-121aa. Application(s): SDS-PAGE, Denatured. |
| Size         | Starting from 10ug                                                                                                               |
| Tag          | His-Tag                                                                                                                          |
| Form         | Liquid                                                                                                                           |
| Source       | E. coli                                                                                                                          |
| Formulation  | 20mM Tris-HCl buffer (pH 8.0) containing 0.4M urea, 10% glycerol                                                                 |

### Concentration

0.5mg/ml (determined by Bradford assay)

### Storage

Can be stored at 2°C to 8°C for 1 week. For long-term storage, aliquot and store at -20°C to -80°C. Avoid repeated freeze-thaw cycles.

### Purity

> 85% by SDS-PAGE

### Amino Acid Sequence

Human, P08949, 25-121aa; MGSSHHHHHH SSGLVPRGSH MGSAPLSWDL PEPRSRASKI RVHSRGNLWA TGHFMGKKSL EPSSPSPLGT  
APHTSLRDQR LQLSHDLLGI LLLKKALGVS LSRPAPQIQY RRLLVQILQK [?/description\\_after\\_attributes?](#)

## Usage

Boster's products are furnished for LABORATORY RESEARCH USE ONLY. The product may not be used as drugs, agricultural or pesticidal products, food additives or household chemicals.
