

F8

Sheep Anti-Human Factor VIII pAb

Catalog No.	CPF121A CPF121B	Quantity:	1.0 mg 5 mg
Alternate Names:	Coagulation Factor VIII, F8, AHF, F8B, F8C, FVIII, HEMA		
Description:	Sheep Anti-Human Factor VIII polyclonal antibody		
Concentration:	5.0 mg/ml		
Gene ID:	2157		
Specificity:	Human Factor VIII		
Host:	Sheep		
Immunogen:	Purified full length native Human protein		
Isotype:	IgG		
Formulation:	Liquid in 50% glycerol		
Purification:	Immobilized Protein G.		
Applications:	ELISA, Western blot		
Storage & Stability:	Store in working aliquots at -20°C. Avoid repeated freeze-thaw cycles.		

Western blot of Human Factor VIII using Sheep pAb

Sheep Anti Human Factor VIII Western Blot
 1. Human Factor VIII (0.1 ug) NR
 2. Molecular Weight Markers
 3. Human Factor VIII (0.1 ug) R

NOT FOR HUMAN USE. FOR RESEARCH ONLY. NOT FOR DIAGNOSTIC OR THERAPEUTIC USE.
