

ODN 1668-Type B (murine, FITC Conjugate)(VAdv-Ly0043)

PRODUCT INFORMATION

Product Overview

ODN 1668-Type B, murine TLR9 agonist, FITC conjugate, oligodeoxy nucleotide vaccine adjuvant.

SPECIFICATIONS

Type	CpG
Specificity	TLR9 agonist
Product Form	Powder
Percentage	≥ 95%
Endotoxin	Lower than 0.1 EU/mg.
Storage	Store at -20°C.
Shelf Life	1 year.

ADJUVANT INFORMATION

Introduction	ODN 1668 is a Type B murine TLR9 agonist. Class B ODN are strong stimulators of human B cell and monocyte maturation. They also stimulate the maturation of pDC but to a lesser extent than Class A ODN and very small amounts of IFN α .
Sequence	5'-tccatgacgttctctgatgct'-FITC (20 mer)
