

Anti-Plasmodium vivax MSP1 monoclonal antibody, clone 5G1 (CABT-BL8890)

This product is for research use only and is not intended for diagnostic use.

PRODUCT INFORMATION

Target	Plasmodium vivax MSP1
Isotype	IgG1
Source/Host	Mouse
Species Reactivity	P.vivax
Clone	5G1
Purification	Antigen Affinity Purified
Conjugate	Unconjugated
Applications	ELISA, IP, WB
Format	Lyophilized
Size	1 mg
Buffer	Phospate buffered saline, pH 7.2
Preservative	None
Storage	4°C for 1 year
