

Anti-SAA monoclonal antibody (CABT-BL8902)

This product is for research use only and is not intended for diagnostic use.

PRODUCT INFORMATION

Target	SAA
Isotype	IgG3
Source/Host	Mouse
Species Reactivity	Cat
Purification	Purified Protein
Conjugate	Unconjugated
Applications	ELISA, WB
Format	Lyophilized
Size	1 mg
Buffer	PBS, pH 7.2
Preservative	See individual product datasheet
Storage	Aliquot and store at -20°C. for 1 year
