

# CD45/CD14 Monoclonal Antibody, FITC/PE Conjugated

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-MA562743                                                                          |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                         |
| <b>Raised In</b>           | Mouse                                                                                 |
| <b>Species Reactivity</b>  | Human                                                                                 |
| <b>Tested Applications</b> | ELISA, IF, FC; Recommended dilution: IF: 1:100-1:200                                  |
| <b>Form</b>                | Phosphate-buffered solution, pH 7.4, containing 0.09% sodium azide and 0.2% (w/v) BSA |
| <b>Isotype</b>             | IgG2a/IgG1                                                                            |
| <b>Clonality</b>           | Monoclonal                                                                            |
| <b>Product Type</b>        | Monoclonal Antibody                                                                   |
