

# PPP4C Monoclonal Antibody

|                            |                                                                                                                                                              |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-MA994759                                                                                                                                                 |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                |
| <b>Immunogen</b>           | Recombinant full length protein (307aa) of Human PPP4C.                                                                                                      |
| <b>Raised In</b>           | Mouse                                                                                                                                                        |
| <b>Species Reactivity</b>  | Human,Dog,Mouse,Bovine,Rat                                                                                                                                   |
| <b>Tested Applications</b> | ELISA,WB,IHC,ICC;Recommended dilution:WB:1:500-1:5000,IHC:1:50-1:500,ICC:1:50-1:200                                                                          |
| <b>Form</b>                | Purified mouse monoclonal in buffer containing 0.1M Tris-Glycine (pH 7.4, 150 mM NaCl) with 0.2% sodium azide, 50%,glycerol                                  |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                                                                    |
| <b>Isotype</b>             | IgG2a                                                                                                                                                        |
| <b>Clonality</b>           | Monoclonal                                                                                                                                                   |
| <b>Alias</b>               | serine/threonine-protein phosphatase 4 catalytic subunit PP-X protein phosphatase X, catalytic subunit protein phosphatase 4 (formerly X), catalytic subunit |
| <b>Product Type</b>        | Monoclonal Antibody                                                                                                                                          |
